Goods from the woods--Sherm

Who will continue? How will Extension help us in the future?

Sherm and Tim will contact [jim.johnson@oregonstate.edu](mailto:jim.johnson@oregonstate.edu)

Possibly invite him to our next meeting.

Oregon Woodland Coop--Sherm & Tim

Tim & Sherm looked at the coop's wood splitters. Looking for help in bundled firewood.

OWC will do all marketing for 5% of gross.

We have to purchase a bundler for approx. \$1,200 and then can amortize this out for members.

Wood has to be to spec--20% moisture, 16" long, etc.

Idea to schedule a training in the local area to learn more.

Tim will schedule this meeting with Neal Schroeder.

Sherm will write a piece for Bark and host at Happy Valley.

Scholarships--Sherm

Sherm wants to know if a trend is for fewer to apply?

Group thinks this may be just an aberration?

Suggestion is to pursue students who are already in college who might have changed majors

**New Business:**

Bark deadline is Sept. 15th. Contact Sherm.

**Good of the Order--**

Roy suggests adding a tour about figured wood--how to save, what to save, etc.
